Discipline

Good Discipline is considered important, honorable and highly valued on campus. Students are expected to exercise self-discipline, conduct themselves with dignity and show respect towards others, as well as observe standards of good manners and behavior appropriate to each situation. This handbook is based on the principle that students will accept our expectations and when violations must be corrected, they will accept responsibility for their mistakes and learn from them. The tone of daily life at PDY/PAY and the learning environment in every class depends on every students' understanding and observance of these expectations.

To ensure the discipline system holds meaning and integrity and in the interest of all students, we cannot permit continual misconduct by any student. If a student is unable to develop adequate self-restraint and good judgment, despite consequences for violations, the student may not continue to attend PDY/PAY Afterschool Program.

Fundamental Rules:

1. We respect the rights of others.
2. We respect the property of others.
3. We use appropriate and respectful language to communicate with each other.
4. We keep the campus free of litter, alcohol, tobacco and illegal drugs.

Transportation from School

We are partnered with Lee County School, which allows your child to be transported by a Lee County School Bus from their school to PDY/PAY Afterschool Program; a service that is free to all Parents/Guardians.

In the event:

- Your child is suspended from the school bus, your child will not be allowed to attend the program until their suspension time has been completed.
- Your child misses the bus, has an appointment, plays sports or any other non-disciplinary reason, they are allowed to be transported to the program by a parent/guardian.
- Your child has been suspended from school, they are not allowed to attend the program during their time of suspension. Once the suspension period is complete, your child will be allowed to return to the program.

Pick-Up Policy

Parents/guardians **MUST REMAIN** in your vehicle at all times. Once you pull up to the front door of the building, your child will be called to meet you at your vehicle for departure.

Late pick-ups are recorded!! After multiple late pick-ups, your child will no longer be allowed to attend the program.

PDY/PAY Administration and Staff have required obligations to complete beyond 6:00pm. It is challenging for our Administration and Staff to complete those duties when students are not picked up on time. We ask that you please be respectful of our expectations and have your child picked up by 6:00pm each day!

Field Trips:

The afterschool program provides field trip opportunities throughout the year. You will be notified by flyer or phone at least two weeks in advance. Please make sure the authorized person on the pick-up list is updated and corrected at all times. We will only release children to those persons on your list.

*****Field Trips are a reward and privilege for program participants. Based on attendance, grades, and behavior, PDY/PAY reserves the right to grant or withhold field trip permission to any student that does not meet program expectations. *****

In the event of inclement weather on a field trip day, the trip will automatically be cancelled. Further updates and information will be released to all parents as needed.

Homework/Internet Acceptable Use Policy

Homework:

Homework is an integral part of learning and it serves as a vehicle for practice and review of important skills. Homework assignments are designed to be appropriate to students' developmental levels and generally fall into 3 categories:

1. Practice or review of concepts taught in class
2. Preparation of a project or report introduced in class
3. Challenge and stimulate students thinking and curiosity

PDY/PAY allots 1 hour of homework time that includes tutoring per day. We will attempt to have students complete their assignments; however, it is the primary responsibility of the parent/guardian to make sure all assignments are completed and prepared to turn in.

Internet Acceptable Use Policy

Internet access for students and staff is provided for homework tutorial and parent and teacher communication if needed; however, students and staff are prohibited from visiting social networking sites and all other sites that do not directly relate to school or programmatic assignments. Our internet services have for security purposes, attached software protection that prohibits access to unhealthy, inappropriate and unproductive websites.

ABSOLUTELY NO FACEBOOK, INSTAGRAM, PINTEREST, TWITTER, SNAPCHAT, ETC...is allowed while using PDY/PAY Computers or iPads. If a student is caught violating these rules, computer and iPad privileges will be revoked from your child.

Health

Children who attend the program should be well enough to follow the normal program routine. Children who have a contagious condition, eye ailment, head lice, rash, fever, vomiting or diarrhea cannot and should not be attending the program. They must fully recover before returning for the safety of students, staff and administration.

If children arrive to the program and are not feeling well or a staff member has detected a health concern, parents/guardians will be notified and your child must be picked up immediately.

Please report any and all changes in emergency contact information to the Program Director as soon as they become available.

Due to COVID 19, additional health and safety procedures have been put in place to ensure the safety of program participants, staff and the facility.

Inclement Weather Procedures

PDY/PAY Afterschool Program makes independent decisions regarding school closings with consideration for the majority of our families. In the event of inclement weather:

1. We will contact parents/guardians for all van rider's to ensure someone is home for drop-off before transporting them home.
2. Teachers will place all children in the safest environment possible.
3. Parents will be contacted for pick-ups.

It is the parents' responsibility to make sure we have the appropriate contact information on file for your child/ren. In the event of snow or any type of closings for PDY/PAY, the following television channels: WRAL Raleigh (5) and WTVD-Durham (11) will provide you with further updates and information. Call us at the number listed in the back of the handbook for additional information.

IF THERE ARE ANY EARLY DISMISSALS OR SCHOOL CANCELLATIONS, PDY/PAY WILL COMPLY WITH ANY DECISIONS MAKE BY LEE COUNTY SCHOOLS!

Dress Appearance

A strong relationship exists between appropriate dress and appearance and the behavior and performance of a student in the academic setting. Therefore, it is the responsibility of our program to ensure that students wear proper school attire while on campus. We will also keep in mind the importance of community standards and changing styles. All students are expected to be neat and clean. Site Coordinators have the ultimate responsibility for determining what is acceptable in dress and appearance. Below are unacceptable attire:

- Tops that show the midriff (anything above the waistline)
- Clothes that may show vulgar, violent, or even suggestive messages
- Over-sized and extremely tight clothing
- Pants and shorts worn below the waistline
- Unclean clothing
